## JOB SEEKERS

## Who are we?

*HDE was founded in 2009 and named as a tribute to the owner's grandfather, Don English. We began, and continue to operate, as a family-owned business. Today, we remain a group of professionals who connect those seeking assistance at home and in the community with career-oriented professionals who provide services.*

### What do we do?

HDE is licensed in Oregon to provide services to seniors and people with developmental disabilities. Primary services include 1-on-1 help at home and in the community to accomplish activities of daily living as well as Professional Behavior Services and Employment Services.

### Who are we looking for?

We want to hire people who care for others and want to grow professionally! HDE has a variety of positions to provide services, including:

- Direct Support Professional
- Behavior Professional
- Employment Professional

We have a weekly orientation for our entry-level position, the Direct Support Professional. If you would like to work for a great company, please see if you meet the qualifications below:

- Be at least 18 years of age
- 6 months verifiable experience as a direct care provider in a professional, private, or volunteer setting
- Possess a valid driver's license or have access to reliable transportation
- Have or obtain First Aid & CPR certification by the 90th day of employment
