

## Caregiver/Direct Support Professional

Full Time or Part Time – \$22 an hour

### Job Description

The Direct Support Professional (DSP) provides direct client care and services at the client's residence and in accordance with a written service plan to help clients reach their goals. The DSP will also provide safety oversight, as most clients of HDE are vulnerable citizens.

### Responsibilities

- Work 1-on-1 with clients on a consistent schedule at their home and in their community
- Full and Partial assistance with activities of daily living (ADLs)
- Monitor clients for safety
- Plan and organize daily tasks
- Document services and report to supervisor weekly

### Benefits

- Mileage reimbursement plan for drivers
- Competitive Medical/Dental/Vision benefits package
- Accrued Paid Time Off (up to 2 weeks)
- 401(k) Retirement Savings Plan and Matching
- Time and a half Holiday pay
- Set Schedules with options for flexibility
- Paid training
- Referral Program

### Minimum Requirements

- Must be at least 18 years of age.
- 6 months verifiable experience working or volunteering in a direct care setting

### Preferred Qualifications

- Valid Driver's License
